# Grazie!

I just want to take a minute to thank you for dining in our restaurant! We are grateful for you whether it's your first time or if you dine here weekly! I want to thank my parents, Guido & Bella Guarino for raising me in a loving household and teaching me everything that I know about the restaurant business! Patty B's is dedicated to the legacy they left in my life. I'd like to thank my husband, Bob, and my children for their love and continued support. We have had an amazing success, so I must thank our incredible and dedicated staff that make this possible, I could not do it without them!
